

THE HEARTIES NEWSLETTER

Charity No. 108948 February/March 2021
No.278

Well here we are again one more update.

As many of you are aware we usually hold our AGM in Jan/Feb. This has not been possible due to Covid. All Officers elected in 2020 have kindly agreed to continue.

RESIGNATIONS

We are sad to say Our lovely Auctioneer Lady, Diane Crewe has moved to a village outside Peterborough and Diane & Mike Wooller have moved to Brightlingsea. So If any of you would like to volunteer to take their places on the committee please let me know.

Colin our Chairman would like to send his best wishes to you all and hopes we may be able to restart HH again later this year,

We are aware that some of you have been ill and hopefully you are now fully recovered.

Here are a few jokes.

MEMORY

A 93 year old man is sat on the kerb crying. A passerby asks, "What's up?"

The old man moans, "I'm 93, married to a 21 year old Swedish underwear model who wants sex twice before breakfast and again at lunch, once before tea and again twice at night!"

Passerby says,
"Whats the problem?"

The old man replies, "I can't bloody well remember where I live!"

MARRIAGE

Marriage is like a pack of cards. In beginning all you need is two hearts and a diamond. By the end, you wish you had a club and spade.

BREXIT ADS

"The EU is absolutely welcome to gain access to UK vaccines. It just needs to apply for membership of the UK, ensure it makes its contribution to the UK Treasury and accepts supremacy of the UK Law."

THE GERMAN

A German guy called Helmut approached a lady of the night in London.

"I wish to buy sex via you"
OK says the girls, "I charge £50 an hour.

"That's got but I must warn you I am a little kinky"

"No problem I can do a little kinky for an extra £10 she relies"
Hemet agrees.

So off they go to the girls flat where Helmut produces 4 large bedsprings and a duck caller.

"I want sat you tie zees springs to each of your Hans and knees."

The girl finds this odd but complies fastening the springs as requested.

"Now you will get down on your hans and nees"

This she duly does balancing precariously on the springs.

"You will please blow zis kwacher as I make love to you."

She thinks this even odder, but figures it's harmless (and the guy is paying).

However the sex is fantastic, honking away on the duck caller, she is bounced all over

the room by the energetic German. The climax is the most sensational she has ever experienced and its is several minutes before she has enough breach to say "That was totally amazing. What do you call this position. Zat is Vorsprung durch Technik.

COVID

Scientists have confirmed woman who have put weight on during lockdowns live longer than the men who mention it.

GRANDAD

This is what happens after 6 months of home schooling.

Archie.... Grandad can we go to MacDonald's??

Grandad....We can if you can spell it?

Archie..... Sod it well go to KFC instead!

GREEK HISTORY

Years ago a slave girl from Sardinia named Gedophamee (pronounced Ged-oofa'-me) was attending the first athletic festival in Greece.

At that time the athletic festival had no name.

In those days the athletics performed naked to prevent unwanted arousal while competing, the men imbibed freely on a drink containing saltpeter before and throughout the variety of events.

At the opening ceremony parade of this first great event,Gedophamee observed the first wave of naked athletic males marching towards her and she exclaimed:

"Oh Limp Pricks!"

Over the next two and half millennia that expression morphed into "Olympics".

THE IRISH MAN

An Irishman on a deserted island for over 10 years sees a speck on the horizon drifting

his way. What emerged from the surf was a wet-suited black clad figure. After taking some of the scuba gear off, there stood a gorgeous blond! The blond strides up to the stunned Irishman and said to him, "Tell me, how long has it been since you have had a cigarette?."

"Ten years," replies the Irishman. She unzipped a waterproofed pocket on the sleeve of her wet suit, and pulled a pack of cigarettes out. He takes one, lights it, and take a long drag. "Christ." Says the man, "I'd forgotten how great a smoke can be!"

"And how long has it been since you have had a whiskey asked the blonde" He replies "Ten years," The blonde reaches over to her right sleeve and unzips a pocket and hands him a flask. He has a long drink. "Magic, truly magic" says the Irishman.

At this point the blond starts to slowly unzip the long front of her wet suit, smiling she looks at the trembling man and asks: "Now, how long has it been since you played around????"

With tears in his eyes, he falls to his knees and sobbed; "Sweet Jesus! Don't tell me you've got golf clubs in there too!!
