

THE HEARTIES NEWSLETTER

Charity No. 108948 August 2021 No.279

I hope you are all well and have got over the last month of isolation, jabs and operations and are feeling ready for a meeting.

So at last we are going to start meetings. As you will all see from the flyer attached we have now meeting at the Rafa Club, 18 Carlton Road, Romford RM2 5AA. Tel.091708 746602.

There is a large car park (it is waste ground) but it has lighting and CCTV. If you are coming down Carlton Road, go to the end, right up to the brick wall and you will see a public footpath notice. Turn left and continue right to the end by the railway bridge where you'll find the entrance to the car park.

Another way is travel down Junction Road, continue to the end and then follow the same directions. There is a back entrance to the club from the car park.

BY PUBLIC TRANSPORT

Walk past the Legion to the end of the road Turn right to the junction of Carlton Road and the Rafa club is a few yards on the right.

Membership fees 2022

Membership fees will cease soon. The Rafa Club is letting us have the meetings there free of charge. This saves us over £600 per year.

Hopefully the money raised from the raffles will help to pay for the running expenses and a few other outgoings,.

The meeting will all be the same 2nd Thursday of the month from 7.30pm.

We would appreciate members bringing along raffle prizes when they can, these of course must be new and unopened. This will help to keep the HH going.

We will be making enquiries at the Rafa Club with regards to the Christmas Lunch and will keep you informed.

September Meeting 9th 7.30pm.

This will be an informal meeting just to catch up with you all.

As you probably are aware we have lost 3 committee members as they have moved. If anyone would like to join us on the committee please let of one us know.

Always Wear Underwear

Always wear underwear in public, especially when working under your vehicle. From a local paper comes this story of a Romford couple who drove their car to the shopping centre, only to have it break down. The man told his wife to carry on with the shopping while he fixed the car.

The wife returned later to see a small group of people near the car. On closer inspection, she saw a pair of hairy legs protruding from under the car.

Unfortunately, although the man was in shorts his lack of underpants turned his private parts into glaringly public ones. Unable to withstand the embarrassment, she dutifully stepped forward and quickly put her hand up his shorts, and tucked everything back into place.

On regaining her feet, she looked across the bonnet and found herself staring at her husband who was standing idly by watching.

The RAC mechanic however, had to have three stitches in his forehead.

The Worlds Shortest Fairytale

Once upon a time, a guy asked a girl "will you marry me?" The girls said, "No!" and the guy lived happily ever after and rode motorcycles and went fishing and hunting and played golf a lot and drank beer and whiskey and had loads of money in the bank

and left the toilet seat up and farted whenever he wanted.

Golf

A recent study found that the average golfer walks about 900 miles a year. Another study found golfers drink, on average 22 gallons of alcohol a year, which means on average golfers get about 41 mles to the gallon. Kind of makes you proud. I almost fee like a hybrid.

Eternity

A man tells a Rabbi. "I have a strong desire to live for eternity. What am I supposed to do?"

"Get Married," replies the Rabbi. "It's that simple? Would that allow me to live forever?"

"No, but the desire will disappear."
