We have Cheryl coming along to talk about Power of Attorney and tax problems.

The December meeting will be a social one. The choice of Fish/Chicken/Sausage & Chips or a festive plate and drink. The overall majority choose the festive plate. We still have a few members to ask and then a final decision will be made.

We will also be having our hamper raffle. Can all members kindly bring along any goods that can be used for this.

If you are able to bring something new for the raffle table it would be really appreciated.

Didn't see that coming!

While riding my motorcycle, I swerved to avoid hitting a deer, lost control and landed in a ditch, severely banging my head. Dazed and confused I crawled out of the ditch to the edge of the road when a car pulled up an attractive lady who asked, "Are you okay?"

As I looked up, I noticed she was wearing a low cut blouse with a cleavage to die for. "I'm okay I think." I replied. She said, "Get in and I'll take you home, so I can clean and bandage that nasty cut to your head." "That's nice of you" I said, but I don't think my wife will like me doing that!" She was very persuasive and said "I'm a nurse" I'm sure my wife won't like this though, she put me in her car and took me home, made me a tea and bandaged my head, I thanked her and said. "I had better

go now as my wife will be very upset." "Don't be silly" she said. She won't know anything, by the way where is she?"

"Probably still in the ditch I replied".
